

# Is the Unification Church's Doctrine Consistent with Biblical Teachings?

Sixbert SANGWA • June 27, 2024

The Unification Church, officially known as the Family Federation for World Peace and Unification, was founded by Sun Myung Moon in 1954. The church's core beliefs and practices have been the subject of much debate and controversy over the years. As Christians dedicated to the truth of the Bible, it is crucial to examine whether the teachings of the Unification Church align with Scripture. In this article, we will explore key aspects of Unification Church doctrine and compare them with biblical teachings to understand if they stand in harmony or contradiction.

## The Identity of Jesus Christ

The Unification Church teaches that Jesus Christ's mission was incomplete because He did not establish a physical family on earth. According to Sun Myung Moon, Jesus was supposed to marry and create a perfect family, which would serve as the foundation for God's kingdom on earth. Moon claimed that his mission was to complete Jesus' work by establishing such a family himself. The Bible clearly presents Jesus Christ as the Son of God who came to fulfill God's redemptive plan through His life, death, and resurrection. In [John 19:30](#), Jesus declares, *"It is finished,"* signifying the completion of His mission on the cross. [Hebrews 10:12-14](#) also affirms that Jesus offered one sacrifice for sins forever, and by this single offering, He has perfected for all time those who are being sanctified. The notion that Jesus' mission was incomplete contradicts the biblical affirmation of His finished work.

## The Second Coming of Christ

Sun Myung Moon claimed to be the Messiah and the Second Coming of Christ. He asserted that Jesus appeared to him and asked him to complete the work of establishing God's kingdom on earth. Moon's followers believe that he and his wife, Hak Ja Han Moon, are the True Parents who will bring about the restoration of humanity. The Bible teaches that the Second Coming of Christ will be a visible and glorious event. [Matthew 24:30](#) states, *"Then will appear the sign of the Son of Man in heaven. And then all the peoples of the earth will mourn when they see the Son of Man coming on the clouds of heaven, with power and great glory."* [Revelation 1:7](#) also emphasizes that *"every eye will see him."* The claim that Sun Myung Moon is the Second Coming of Christ is inconsistent with the biblical description of Jesus' return.

## The Doctrine of Salvation

The Unification Church teaches that salvation involves both spiritual and physical aspects and that true salvation can only be achieved through the blessing ceremonies conducted by the True Parents. These ceremonies are seen as necessary for removing original sin and establishing a sinless lineage. The Bible teaches that salvation is by grace through faith in Jesus Christ alone. [Ephesians 2:8-9](#) states, *"For it is by grace you have been saved, through faith—and this is not from yourselves, it is the gift of God—not by works, so that no one can boast."* Furthermore, [1 John 1:7](#) affirms that *"the blood of Jesus, his Son, purifies us from all sin."* The idea that specific ceremonies conducted by human leaders are required for salvation contradicts the biblical teaching of salvation through faith in Christ alone.

## The Authority of Scripture

The Unification Church holds the Bible in high regard but also places significant emphasis on the teachings and writings of Sun Myung Moon, particularly his book *"Divine Principle."* This book is considered a revelation that provides new insights and interpretations of the Bible. The Bible is the inspired and authoritative Word of God. [2 Timothy 3:16-17](#) declares, *"All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the servant of God may be thoroughly equipped for every good work."* [Revelation 22:18-19](#) warns against adding to or taking away from the words of Scripture. The elevation of Sun Myung Moon's writings to the level of Scripture is inconsistent with the Bible's teaching on its own sufficiency and authority.

## The Nature of God and Jesus

The Unification Church has a unique view of the nature of God and Jesus. Moon taught that man is the visible form of God and that God is the invisible form of man. Furthermore, he claimed that he and his wife were the *"True Parents"* and that his wife was the Holy Spirit. Moon also denied the physical resurrection of Jesus and His divine nature. The Bible presents a clear distinction between God and man. [Hebrews 2:6-8](#) emphasizes the unique nature of humanity as created beings distinct from God. The Trinitarian understanding of the Godhead is affirmed throughout Scripture (e.g., [Titus 2:13](#)), and the physical resurrection of Jesus is a foundational truth of the Christian faith ([1 Corinthians 15:3-4](#)). [Hebrews 1:1-3](#) further affirms the divine nature of Jesus, describing Him as the exact representation of God's being.

## The Concept of the True Family

The Unification Church places a significant emphasis on the creation of *"true families"* through mass wedding ceremonies, which are seen as essential for establishing God's kingdom on earth. These ceremonies are believed to cleanse participants of original sin and establish a sinless lineage. While the Bible does emphasize the importance of family, it does not teach that physical family relationships are the means of establishing God's kingdom. Jesus Himself redefined family in spiritual terms in passages like [Matthew 12:48-50](#), where He stated that those who do the will of His Father in heaven are His true family. Salvation and sanctification are personal and spiritual, achieved through faith in Jesus Christ, not through participation in specific ceremonies.

## Worship and Authority

The Unification Church teaches absolute obedience and loyalty to the *"True Parents,"* Sun Myung Moon and Hak Ja Han Moon. They are considered the embodiment of God's love and central figures in the church's theology. The Bible instructs believers to worship God alone. The First Commandment states, *"You shall have no other gods before me"* ([Exodus 20:3](#)). [Romans 1:25](#) warns against *"exchanging the truth about God for a lie and worshiping and serving the creature rather than the Creator."* The veneration of the *"True Parents"* contradicts the biblical principle that only God is worthy of worship and absolute loyalty.

## God's Sovereignty

The Unification Church teaches that God is not a perfect being and needs human cooperation to achieve His goals. This view suggests a dependence of God on humanity for the fulfillment of His plans. The Bible portrays God as sovereign, all-powerful, and all-knowing. [Genesis 1:1](#) declares, *"In the beginning, God created the heavens and the earth,"* showing His creative power. [Psalm 90:2](#) says, *"Before the mountains were born or you brought forth the whole world, from everlasting to everlasting you are God,"* highlighting His eternal nature. [Isaiah 40:28](#) states, *"The LORD is the everlasting God, the Creator of the ends of the earth. He will not grow tired or weary, and his understanding no one can fathom."* These verses affirm God's independence and sovereignty.

## The Purpose of Jesus Christ

The Unification Church believes that Jesus' mission was not fully accomplished and that He must return to marry and produce *"sinless children"* to establish God's kingdom on earth. The Bible teaches that Jesus' mission was complete and sufficient through His life, death, and resurrection. [John 19:30](#) records Jesus' final words on the cross: *"It is finished."* [Hebrews 10:14](#) states, *"For by one sacrifice he has made perfect forever those who are being made holy."* The biblical message of salvation is through faith in Jesus' atoning sacrifice ([John 3:16](#), [Ephesians 2:8-9](#)).

## Conclusion

In examining the teachings of the Unification Church against the Bible, it becomes evident that several key doctrines stand in contradiction to biblical truth. Jesus Christ's mission was complete and sufficient, the Second Coming will be a visible event, salvation is by grace through faith alone, and the Bible is the ultimate authority for Christian faith and practice. As Christians committed to the truth of God's Word, it is essential to discern and adhere to the teachings of Scripture, testing all doctrines against the revealed Word of God ([1 Thessalonians 5:21](#)). By holding fast to the truth of the Bible, we can ensure that our faith remains grounded in the unchanging and eternal Word of God. The teachings and practices of the Unification Church, including their views on Jesus, salvation, and authority, clearly diverge from the foundational truths of Christianity as revealed in the Scriptures. While it is important to approach these topics with humility, empathy, and a genuine desire to understand different perspectives, we must uphold the authority and truth of the Bible while fostering an environment of mutual understanding and respect.
